

MU ALPHA THETA

May 2025

Dana Wade

A message from the Executive Director

We have over 700 sponsors and members registered for our upcoming convention in Orlando! We are looking forward to seeing all of them in just a few weeks.

Check out the Math Minutes Video Contest winners! Out of 73 entries, the top 8 videos were voted on during the month of April and those rankings are in this newsletter. Congratulations to all of our finalists! And, thank you to Doral Academy for their work in sorting through all of the submissions and determining the top 8 for us.

Congratulations to all of the 2025 Mu Alpha Theta graduates! We wish you all the best and hope to hear how you are using your math knowledge and skills in the world.

Don't forget that our store closes for the entire month of July.

Rob Snow

A message from the President

Hello all,

We've come to the end of another year already. Students are preparing to take their AP, IB, AICE exams for college credit after working hard to prepare.

The National Convention registration has closed and preparations are underway for the event July 6-11. There will be a Zoom meeting on Sunday May 11 at 6pm Eastern for schools who have registered to ask questions as we lead up to July.

I hope everyone has a well deserved summer break for another exciting year in 2025-26. I will be going out as President in July and passing the torch to Dr.

Radleigh Santos. It has been a pleasure serving all of you and I hope to see you at future National Conventions. Thanks!

2025 National Convention (Orlando, FL)

Don't forget to pack the essentials!

As you pack for the Convention, don't forget to bring a hat, sunscreen, medications, comfortable walking shoes, refillable water bottles, phone chargers, snacks, etc. These essentials will help ensure you have a comfortable and enjoyable experience. And just in case you need anything else, there will be a CVS nearby where you are staying.

May Convention Meeting with Rob Snow and Student Delegates

Topic: Orlando Convention Zoom Meeting

Date: May 11, 2025

Time: 06:00 PM Eastern Time
(US and Canada)

Sponsors: if you are registered for the convention,
check your email for the zoom link!

Chapter Activities

Stratford High School Goose Creek, SC

“Stratford High School’s Chapter of Mu Alpha Theta hosts an annual schoolwide math competition for all students and faculty to participate in. This year, the competition was a digital escape room with questions ranging from Algebra 1 to Precalculus. The escape room required students to answer 4 math questions per room before finding the code to exit the school. The first 3 teams who submitted everything correctly won medals and are featured in the trophy case for a year.”

“Stratford Mu Alpha Theta students compete annually in the College of Charleston Math Meet every February. I included pictures of the students who participated as well as a picture of the Physics Brainstorm Team which came in 3rd place.”

Submitted by MAΘ Sponsor Anne Hallett.
